CONFERENCES ARE COMING... Oh My!

Monday, **Student Performance Checks** will be completed in **Wolfpack** to give families up-to-date information ahead of our conference days on Oct. 31st and Nov. 1st. We will send all those home on Monday afternoon with your middle schooler.

We will also put **last spring's SBA test scores** in your hands before, during or shortly after conferences. While Covid has definitely impacted student performance worldwide, the score may still offer some feedback about your student's strengths and in some cases highlight struggles.

Monday, your student's teachers will email out links to book a conference with them. To accommodate as many as we can, our staff will use ten-minute windows.

Thank you for your survey feedback, we surveyed our staff too and decided that **October 31st will be a virtual conference day from 8:00AM-3:00PM** and **November 1st will be an in-person conference day from noon until 7:00 PM**. Families will also have a telephone conference option.
