This form should be placed into the athlete's medical file and should not be shared with schools or sports organizations.

PREPARTICIPATION PHYSICAL EVALUATION

PHYSICAL EXAMINATION FORM

Name:	Date of birth:	
	-	

PHYSICIAN REMINDERS

- 1. Consider additional questions on more-sensitive issues.
 - Do you feel stressed out or under a lot of pressure?
 - Do you ever feel sad, hopeless, depressed, or anxious?
 - Do you feel safe at your home or residence?
 - Have you ever tried cigarettes, e-cigarettes, chewing tobacco, snuff, or dip?
 - During the past 30 days, did you use chewing tobacco, snuff, or dip?
 - Do you drink alcohol or use any other drugs?
 - Have you ever taken anabolic steroids or used any other performance-enhancing supplement?
 - · Have you ever taken any supplements to help you gain or lose weight or improve your performance?
 - Do you wear a seat belt, use a helmet, and use condoms?
- 2. Consider reviewing questions on cardiovascular symptoms (Q4-Q13 of History Form).

This form should be placed into the athlete's medical file and should **not** be shared with schools or sports organizations. The Medical Eligibility Form is the only form that should be submitted to a school or sports organization.

Disclaimer: Athletes who have a current Preparticipation Physical Evaluation (per state and local guidance) on file should not need to complete another History Form.

■ PREPARTICIPATION PHYSICAL EVALUATION (Interim Guidance)

HISTORY FORM

Name: Date of birth:	
Date of examination: Sport(s):	
Sex assigned at birth (F, M, or intersex): How do you identify your gender? (F, M, non-binary, or another gender):	
Have you had COVID-19? (check one): □ Y □ N	
Have you been immunized for COVID-19? (check one): □ Y □ N If yes, have you had: □ One shot □ Two shots □ Three shots □ Booster date(s)	
List past and current medical conditions.	
Have you ever had surgery? If yes, list all past surgical procedures.	
Medicines and supplements: List all current prescriptions, over-the-counter medicines, and supplements (herbal and nutritional	8
Do you have any allergies? If yes, please list all your allergies (ie, medicines, pollens, food, stinging insects).	
Patient Health Questionnaire Version 4 (PHQ-4) Over the last 2 weeks, how often have you been bothered by any of the following problems? (Circle response.)	
Not at all Several days Over half the days Nearly every	ay
Feeling nervous, anxious, or on edge 0 1 2 3	
Not being able to stop or control worrying 0 1 2 3	
Little interest or pleasure in doing things 0 1 2 3	
Feeling down, depressed, or hopeless 0 1 2 3	
(A sum of ≥3 is considered positive on either subscale [questions 1 and 2, or questions 3 and 4] for screening purposes.	

(Ехр	ERAL QUESTIONS lain "Yes" answers at the end of this form. Circle stions if you don't know the answer.	Yes	No
1.	Do you have any concerns that you would like to discuss with your provider?		
2.	Has a provider ever denied or restricted your participation in sports for any reason?		
3.	Do you have any ongoing medical issues or recent illness?		
HEA	RT HEALTH QUESTIONS ABOUT YOU	Yes	No
4.	Have you ever passed out or nearly passed out during or after exercise?		
5.	Have you ever had discomfort, pain, tightness, or pressure in your chest during exercise?		
6.	Does your heart ever race, flutter in your chest, or skip beats (irregular beats) during exercise?		
7.	Has a doctor ever told you that you have any heart problems?		
8.	Has a doctor ever requested a test for your heart? For example, electrocardiography (ECG) or echocardiography.		

	RT HEALTH QUESTIONS ABOUT YOU INTINUED)		Yes	No
9.	Do you get light-headed or feel shorter of breathan your friends during exercise?	ath		
10.	Have you ever had a seizure?			
HEA	RT HEALTH QUESTIONS ABOUT YOUR FAMILY	Unsure	Yes	No
11.	Has any family member or relative died of heart problems or had an unexpected or unexplained sudden death before age 35 years (including drowning or unexplained car crash)?			
12.	Does anyone in your family have a genetic heart problem such as hypertrophic cardiomyopathy (HCM), Marfan syndrome, arrhythmogenic right ventricular cardiomyopathy (ARVC), long QT syndrome (LQTS), short QT syndrome (SQTS), Brugada syndrome, or catecholaminergic polymorphic ventricular tachycardia (CPVT)?			
13.	Has anyone in your family had a pacemaker or an implanted defibrillator before age 35?
