School Medications—end of year pick up

If your student has medication in the school nurse's office or on the bus:

Please pick-up medications on Friday June 23rd by noon in the office.

You **will not** be able to get the bus medications from your **child's bus driver**. You will be able to pick up bus medications from your school's office on June 26th or 27th. Please call the office first to see if it's open.

Since we cannot retain medications over the summer, any medications left after June 27th must be discarded.

Questions? Please call (360) 582-3509.

A new medication authorization form, completed by the parent and licensed health care provider, is required each school year. Information and forms available at [Health Services - Sequim School District \(sequimschools.org\)](https://sequimschools.org/HealthServices).
