8th Grade Moving -On

We listened and appreciate the partnership! Recently we shared a survey about our 8th grade Moving On Ceremony. Thank you for your time and input. Several parents stepped up and asked how they could help and if we could do it differently. **YES and YES!**

As our 8th graders exit middle school and look forward to high school, this is how and where we will celebrate the transition.

We invite 8th grade students and families to join us in the main gym for a Moving-On ceremony on Wednesday, June 21st beginning at 6:00 PM.

Students will practice the day of so they know where their seat is located (they will be assigned alphabetically by last name), to practice the timing for standing and to practice receiving their certificate.

After the event, we will hold a brief reception in the small gym. **Our staff have been invited but personal schedules and family commitments could mean your child's current teachers or favorite teacher may not be present.**

Summer Memberships & Free 7th Grade Memberships

All 7th graders get a **FREE** YMCA membership at the Y that begins the last day of the school year—June 23! The YMCA is a place where kids and teens can feel welcome and safe. Melt away your stress in the pool or hot tub, meet friends, play racquetball, basketball, or volleyball, or work out in our well equipped Wellness Center.

Spend the Summer at the Y

If you aren't in the 7th grade, you can still join the Y, and this year you can join for the summer only! Just pay for 90 days of membership (\$60) and we'll waive the join fee. For the summer membership you must join by July 31st. Bring a parent/guardian to sign a waiver or take a waiver home and return it to the YMCA front desk. We also offer scholarships if \$60 isn't in your budget.
